

Feu Follet Lanterns

Help us to welcome Little Amal with these lanterns!

MATERIALS NEEDED:

- 8oz. Rigid Plastic Cups
- Glue (Clear or White) & water
- Foam/Paint Brush/sponge
- Paper (Tissue/Vellum/Rice or anything that you can see through a little)

INSTRUCTIONS: (see pictures on the back)

- Cut paper in to squares, rectangles, or any smaller piece
- Mix 2 parts glue to 1 part water
- Brush glue mixture on to plastic cup
- Apply one layer of cut pieces of paper to cover entire cup
- Brush another layer of glue over the entire cup
- Add a rope handle:
 - Cut a 43 inch piece of rope (twine, yarn...), fold in half and tie a knot at the end.
 - Wrap the rope around the cup and pull the knot through the loop and pull tight.
 - Glue (hotglue, super glue...) the loop end to the cup.
 - Take the knot end to the opposite side of the cup, pull under and glue the knot onto the cup.

EXTRAS:

- You can decorate with dried flowers or leaves directly on to the cup, then cover with a layer of paper and glue.
- Add any battery operated light

Join us on The Walk on October 18th, downtown Lafayette,
from 6pm – 7pm!
